Mr. Pradip Tarafder.  
... for the third party (not a party to the proceeding).

This matter was mentioned by a third party (not a party to the proceeding) on 10<sup>th</sup> March, 2021 and the mentioning was accepted. I directed that this matter would appear on 19<sup>th</sup> April, 2021. Today I have been shown a report from the Superintendent of Mandamus Section dated 16<sup>th</sup> April, 2021 that the file is under vigorous search and it has not been found as yet. It has been stated in the report that

as soon as it is available, the same will be sent to this Court.

Mr. Tarafder has submitted that in one contempt application an order was passed by which the right was affected though he was not a party either to the writ application and naturally in the contempt application. He filed two vacating applications being CAN 4754 of 1999 and CAN 4941 of 1999. Today, he submits that these two applications have not come along with the writ applications and the contempt application.

In respect of this, the above report has been sent to this Court.

I direct Mr. Tarafder to appear physically in the month of June, 2021 along with the orders by which he was aggrieved and copies of the two applications being CAN 4754 of 1999 and CAN 4941 of 1999.

This matter will again appear in the list on 14<sup>th</sup> June, 2021.
